RossignolCamp.com

Rossignol brings to this camp a staff of world class coaches from around the country, well versed in all modern ski and race techniques, training programs and theory.

You will receive intensive individual attention in slalom and giant slalom courses, free skiing and extensive daily video tape analysis. With morning, afternoon and evening activities, you will receive an experience that will improve your level of competitive as well as recreational skiing.

Don't miss your chance to train with some of the best racers and coaches in the world—join us at Mammoth Mountain this year!

SKI TRAINING: Camp session consists of 6 days (Sun-Fri) of on-snow training. Your day starts with warm-up exercises and free skiing, and then it's on to SL or GS slalom training courses and drills.

VIDEO ANALYSIS: Visual feedback plays a key role in improving each camp participant's skiing ability. Every camper will be filmed and analyzed daily during their stay at the camp.

AFTERNOON ACTIVITIES: In addition to intensive work in ski related areas, many afternoon activities are available, weather permitting. Opportunities include weight training, aerobics, tennis, volleyball, hiking, biking, pickle ball, & golf. For a small fee, you will have access to the beautiful Double Eagle Resort & Spa.

EVENING ACTIVITIES: Presentations are offered on technique & analysis, tactics, including video of race footage, racing psychology & boot prep & modification, stance & alignment.

SKI PREPARATION/MAINTENANCE. Rossignol technicians will be on hand to provide assistance with your equipment. Some demo skis will be available daily.
